What's working

[E.g., participation rate improved in central HR, virtual activity well received in remote spans, R&R cycle closed faster than last month.]

Where attention is needed

[E.g., goodies pending at 77% - backlog of new joiner welcome kits; 1 Fun Friday slipped due to release crunch in Tech.]

HRBP-driven view: risks identified, focus areas, and planned interventions for the next month

RISKS

Key Risks Identified

- *[Risk 1 - e.g., concentrated regrettable attrition in Span B; flight-risk signals from 3 employees]*
- *[Risk 2 - e.g., ELP 30 & 90 connect adherence below 60%; visibility gap with new joiners]*
- *[Risk 3 - e.g., Goodies backlog at 77% pending; new joiner experience at risk]*
- *[Risk 4 - optional]*

FOCUS

Focus Areas for Next Month

- *[Focus 1 - e.g., close ELP connect backlog, target 95%+ adherence by month-end]*
- *[Focus 2 - e.g., Span B retention plan with HOD: skip-level cadence + IDP refresh for top 5]*
- *[Focus 3 - e.g., goodies sprint to clear backlog within 2 weeks]*
- *[Focus 4 - e.g., manager effectiveness session for top-3 attrition managers]*

INTERVENTIONS

Planned HR Interventions

- *[Intervention 1 - e.g., launch quarterly Stay Interview cycle for tenure 12-24M cohort]*
- *[Intervention 2 - e.g., R&R cycle redesign workshop with HODs]*
- *[Intervention 3 - e.g., new joiner experience audit - onboarding to D90]*
- *[Intervention 4 - e.g., engagement calendar locked for Q2 with team-level ownership]*
